Notes from your President

Hello Everyone,

Hi everyone Hope your all trying to enjoy this time of year they call summer ...Seems more like April to me. Halfway through July and still no summer like weather to speak of!! This season is really making it rough for the tourist folks. Everyone ya talk too says the numbers are just not there to make this a great year. I want to thank Roger Bickford for organizing the Moxie day parade ride again I heard it was a great time and lots of candy was given to the kids along the route. Good job Roger! We are heading into the Topsham fair week and we will need lots of help with the clean up detail each night and manning of the booth. We will be having a 50/50 to be drawing during the last day so be sure and get tickets. Hope to see you all there,till then stay dry, ride safe, have fun!!

DALE GILES
President TTR

*****SOCIAL NIGHT *****

Wednesday AUGUST 12th at 6:00pm at the
Topsham Fair!

Pleas come and support this event!

Notes from your Trail Master

You know with all this rain we should become a boating club! Again I have been gone all over the East Coast working but just this last weekend I had a chance to go for a ride and check out our trail system. Yes, it was wet!!!! I met Tim Doyle and his girl friend Marie (Dan and Linda Parlin's daughter on the trail as they were checking on the new box culvert Tim installed in the last week. I happy to say it is working well. We have the wood needed to build a floating bridge that will serve Snowmobiles as well as ATV's all we need now is workers and time on the weekend without rain. There is plenty of work to do on the trail all you have to do is ride it and look around. Trimming limbs, moving rocks, filling holes with material on site, and so on. Please help were you can. If you need guidance call Tim Doyle, he never turns down help. So with that in mind think NO RAIN for a couple of weeks so we can enjoy what we have and work on making it better. See you at the fair.

Dave

Notes from your Secretary

August is already here if you can believe that. Hope your all thinking about the fair, Its great to see everyone out and having fun, but also if you find you have a few free hours attend our next meeting and sign up to help the fair and support your club. The next meeting is on August 5th at 7 pm. July's pot of gold was \$123.00, the name drawn was Benjamin Gray, but he was not at the meeting so it roles over to August's meeting. The 50/50 was \$16.00 and won by Julio Robles. The club also has new T-shirts, sweatshirts and hats. Come to a meeting and check out the club's new print. Hope your all having a great summer.

your secretary,

Cinny

Notes from your Treasurer

This month several members were cut from our membership books because we haven't received there 2009-10 dues. We've also had to remove a few Business sponsors because of the expense to keep them on the books. If you know of anyone that still wants to belong to the club and just forgot please just have them contact me.

Don't forget we need help during the Topsham Fair! We need people to do the clean up each night and also to sell the 50/50 tickets during the fair at our tent, which will be drawn on Saturday evening at 9:00pm. The more people that help the more fun the week becomes. We are also having a ATV Pull on Sunday Evening in the pulling ring and on Monday evening we are having a Mud run both events are held on the Topsham Fair grounds.

Special thanks go to Roger Bickford for his leadership for the Moxie Parade. We also sent Thank You Certificates to Paxton & Kylie Arsenault for helping with throwing the candy out to the children that day!

Dan,
Treasurer TTR
